

Dragi prieteni, Dear friends,

Appreciem din toata inima partea pe care o luati la lucrare prin diferite forme si ne rugam ca Cel ce este sursa oricarei binecuvantari sa va binecuvinteze cu tot ceea ce aveti nevoie, cu partasia Lui si cu plinatatea Duhului Sfant.

Va scriem cateva randuri prin care dorim sa va provocam la rugaciune si sa fiti astfel parte impreuna cu echipa din Alba Iulia la ceea ce Domnul face aici. Suntem in mare nevoie de rugaciune pentru biruinta si pentru ca oamenii sa il cunoasa in mod real pe Domnul Isus, ca creasca in El si sa devina stabili si maturi in El.

We appreciate with all our heart the share that you have in the work and we pray that the source of every blessing richly bless you with everything that you might need, with his fellowship and with the filling of the Holy Spirit. We are writing just a few lines to challenge you to pray and in this way be part of the work with the team in Alba Iulia. We really need your prayers in order to have victory and in order for people to know Jesus in a real way, to grow in Him, to become established and mature in Him.

In timpul vacantei scolare de dinainte de 1 martie am lucrat o saptamana intens impreuna cu tinerii de la clubul de adolescenti confectionand tot ceea ce era nevoie pentru vanzare pe strada si adunare de fonduri pentru una dintre taberele de la vara. Apoi de vineri pana luni inclusiv am vandut toate astea si Domnul a dat belsug de binecuvantare.

During the school holiday that we had in February all the team and the young people worked very hard to produce little hand made things that we traditionally sell on the street to raise funds for of the three summer camps. Friday through Monday we were in the streets selling and the Lord poured His blessing over this work.

Clubul de copii din Santimbru continua impreuna cu Oana Craciun, Delia Mihaltan si Adi Chiorean, insa ei se confrunta cu lipsa de disciplina a copiilor care sunt extrem de greu de controlat. Dragostea pentru ei si pentru Domnul determina echipa sa continue lucrarea, insa au neaparata nevoie de incurajarea Domnului si chiar a oamenilor.

The Santimbru Kids club continues run by Oana Craciun, Delia Mihaltan and Adi Chiorean, but they are faced with very badly behaved children coming from rough

backgrounds , they are extremely difficult to control. Their love for the children and for the lord determines them to continue, but they could use some encouragement.

Clubul de copii de joia din Alba Iulia merge foarte bine dn punctul de vedere al numarului de copii (50-60 in fiecare saptamana, chiar mai multi la ocazii speciale). Multi dintre ei sunt copii constanti, ca vin saptamana de saptamana, sunt seriosi si dornici sa invete. Din pacate avem ceva probleme cu cativa copii de etnie roma care au cauzat tulburare pentru alti copii romani care ulterior au renuntat sa mai vina. Nu stim cum sa abordam problema, avem nevoie de intelepciune.

Thursday kids club is going very well, well attended by 50-60 children every week, even more on special occasions. Many of them are constant, showing up every week, determined to learn. Unfortunately we are faced with some conflicts between some gipsy children and Romanian children, causing some of the Romanian children to stop coming. We do not know the best way to deal with the situation and we need the wisdom from above.

Turneul de teatru de papusi este incet incet in pregatire. Din pacate este destul de greu de organizat o echipa de voluntari care sa continue lucrarea dar credem ca Dumnezeu se va ingriji. Intre timp o posibila chestiune care poate impiedica turneul consta in probleme de sanatate – Traian are deja de cateva saptamani unghii incarnate la picioare si este posibil sa fie necesara o interventie chirurgicala. Va rugam sa va rugati pentru o solutie divina.

The schools ministry through puppets is slowly making a comeback after Lidia's broken arm. Unfortunately it is still difficult to find volunteers but we believe that God provides. One other thing that could prevent it from happening is Traian's problem with his feet, some nails growing on the inside causing great pain. He might have to go through some minor surgery and then recover. Please pray for the best way out of this.

Lucrarea cu adolescentii merge in continuare bine cu un numar de aproximativ 20 de tineri in care ne investim saptamanal in grup de ucenicizare pentru baieti si unul pentru fete (ambele sambata) si intalnire cu baietii si fetele impreuna miercurea. Unii dintre ei, ca si dintre copii, au probleme acasa datorita interesului lor in Evanghelie, parintii incearca sa ii opreasca din a veni la intalniri. Va rog sa va rugati pentru schimbarea situatiei de acasa si pentru o credinta neclintita in inimile tinerilor. De asemenea unii dintre ei vin si duminca la biserica, dar altii inca nu au facut pasul asta. Ne rugam pentru ei sa se integreze in Biserica si sa creasca in Domnul Isus si in asemenare cu el.

The ministry with the young people is also going well, with its ups and downs. There are 20 people joining us for the guys or girls' small groups, both happening on Saturdays or the mixed group every Wednesday night. Some of them, just like many of the children, struggle at home because of their interest in the Gospel, their parents are trying to stop

them from coming to the meetings. Please pray for a change of situation at home and for an unmoved faith in them. Some of them also come to church on Sundays , but others aren't. We are all praying for them to find their place in the Church in to grow in Jesus Christ and in his likeness.

Cu multe multumiri, va saluta Traian si Lidia Opruta impreuna cu Echipa OAC 2010 din Alba Iulia, Romania.

We thank you so much, greetings from Traian and Lidia Opruta with the OAC team from Alba Iulia, Romania.
